# Beyond the DVD

ezXchanges, the premier  
online video exchange,  
is now bigger, sharper,  
and more detailed  
than ever!

# The Premier Online Video Sharing Solution

Bringing you to the forefront of video technology...

## Beyond the DVD - HD Video is Here!

ezXchanges believes it's time to move beyond the DVD. Technology has moved past the highly compressed standard definition video of DVDs. Great looking HD video is now attainable for every program. Our team of video experts provides individual help and guidance to each program, making the transition to HD video... EZ!

## Adding a Video Support Team to Your Staff

- Video experts on staff to help plan your specific video strategy
- How-to resources for video production, workflow and viewing
- Support available 24/7/365 with immediate response

## Providing Maximum Flexibility

- Access video from the cloud, anywhere, on any computer – year-round
- Distribute game video and clips to players, conference office, TV Networks, and others
- Share video easily with out-of-conference teams
- Download Windows and Mac friendly video in HD, SD and DVD-ready formats
- Upload video directly from camera, edit system, DVD and more

## Ensuring Video Quality

- Tested and standardized video downloads compatible with all major editing systems
- Automated quality monitoring of video uploads from schools
- Immediate notification of upload quality issues to school and conference office
